AIDS TO PROPER MAILING

Write name and address plainly and completely.

Place name and address of sender on all mail matter.

Prepay postage fully.

Use street and number in return address on your envelope and also letter heads.

Always address mail for city delivery to street and number, and request correspondents to do likewise.

Use designation North or South, West or East when it is a proper part of the address and save delay in delivery.

Insure valuable parcels.

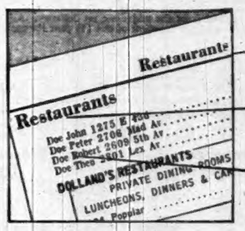
Wrap parcel post carefully in heavy paper, and tie knots securely.

Do not use cards or envelopes smaller than a Government Postal Card.

Avoid the use of the word "City" as a part of the address. It may result in delay.

Avoid abbreviation of state names; Pa., Va., and La., frequently look very much alike when written. It is difficult to distinguish between Me., Mo., and Ind., or Cal., and Col. The abbreviation recommended for Colorado is Colo., and for California is Calif.

YOU WILL OFTEN GAIN A DAY'S TIME IN DELIVERY BY DEPOSITING MAIL AS SOON AS IT IS READY.



Pamphlets showing the hours "Mails Close" at the post office, and the time in transit between all of the large cities in the United States, may be had upon application to the Superintendent of Mails.

PATIENCE PAYS

Thousands of telephone calls are missed every day because the person calling will not wait a second or two longer. It's a good rule to wait that extra second.

Another good rule is to answer a ringing telephone promptly. That too will make fewer missed calls.

And in business a missed call is often a missed order.

IT PAYS TO KEEP YOUR NAME BEFORE BUYERS

That's why so many firms continue to advertise in the Classified Telephone Directory. An ad of your own will keep buyers from forgetting you. And the time will come when you'll again be able to sell them all they'll want to buy.

Shampooing cleans to the base of the pile and adds new life and beauty . . . . Because SHAMPOOING cleans clean, many nationally known Manufacturers have created rugs of twisted pebble weave textures so that these floor coverings can be SHAMPOOED safely and thoroughly without risk of uncurling the pile. Also an odorless naptha process if you wish.

THIS TRADE MARK GUARANTEES
NAP-O-VAC CLEANING PROCESS

GENUINE NAPHTHA CLEANING
"NO VARNOLENE SOLVENT USED"

Why Naphtha?

Because cleaning by the Nap-O-Vac Process is a thorough washing, with hundreds of gallons of Naphtha, Rinsing, Extracting, Drying, & Deodorizing in our large, special, Rug Cleaning Machines, operated under Vacuum.

This process is not a varnolene surface brushing

RUGS are drenched in distilled naphtha. Stains dissolve. Dirt and dust are gently removed. Cleans surface, pile and back. Destroys moth eggs. Preserves original beauty and lustre. It does not remove the natural oils in rugs. Leaves the threads strong and full of life. Colors are restored to their warmth and beauty.

Also, we DRY STEAM every rug and carpet to raise crushed pile. All domestic rugs and carpets resized to insure against limpness.

A naphtha cleaned rug or carpet retains its life and body.

GOODBYE TO "HELLO"
The Army has banned the "hello" habit and has ordered its calls answered by giving the name or department...just as many business houses have been doing for years . . . a good business practice that saves the time of both the answering and calling persons.

PATIENCE PAYS

Thousands of telephone calls are missed every day because the person calling will not wait a second or two longer. It's a good rule to wait that extra second.

Another good rule is to answer a ringing telephone promptly. That too will make fewer missed calls.

And in business a missed call is often a missed order.

DANCE LESSONS COST NO MORE AT ARTHUR MURRAY'S

Although each private dance lesson costs but a few cents more, it will cost you less in the long run. Your dancing can have style, or it can be devoid of personality—it all depends on where you learn.

Under conscientious experts, fewer lessons are required to become a good dancer. You can learn the Rumba and Fox Trot in only a few hours. We invite you to accept a trial private lesson. Studios air-conditioned.

"Business is Good—But We're Still Advertising"

Even though you may be getting all the business you can now handle, it pays to keep your name before prospective buyers. A time will probably come when you will want their business. Then they will remember you.

The wise business man thinks of tomorrow.

Spreading the Word of the Classified's Worth

100,000,000 million advertising messages a year in popular and widely-read magazines remind prospective buyers to look in the Classified Directory's yellow pages to find what they want to buy. No wonder 9 out of 10 people use it.

This means more readers for your advertisements—more customers for what you sell.

THE COURTEOUS THING

This executive—even in these busy days—stays on the telephone while getting his long distance number. He is ready to talk to his customer or client the instant the connection is completed. It's not only courteous—it's efficient too.

In time of peace, or in time of national emergency, the telephone helps unite the nation.

GOODBYE TO "HELLO"

The Army has banned the "hello" habit and has ordered its calls answered by giving the name or department...just as many business houses have been doing for years... a good business practice that saves the time of both the answering and calling persons.
